

# EDMONTON INTERNATIONAL RACEWAY IN WETASKIWIN

## Here's how it goes!

Check out our Website at [www.edmontonraceway.com](http://www.edmontonraceway.com) to view our Test Drive Schedule

- ♦ Click on the Test Drive Link at the top of the page – on the drop down menu choose Bookings & Schedule & you can submit your booking request from that registration page or if you choose, you can call Loretta at 780-467-9276 or Email at [speedway@syban.net](mailto:speedway@syban.net) to book your spot.
- ♦ We will contact you by email on the Monday before your scheduled Test Drive Session to confirm again and provide you with a few more details. We will ask you to reply and confirm your attendance at that time.
- ♦ We typically have 3 sessions scheduled per weekend – Friday Night at 6 pm; Saturday Morning at 9 am and Sunday at 12 noon.
- ♦ Please arrive about 15 minutes early to allow for sign in.
- ♦ Once you arrive at the track, head over to the blue tent area and that is where we will sign you up. You will review and sign a waiver of risk for participating in this experience
- ♦ Once everyone is signed in (we typically have a group of about 7-15 guests), you will follow the EIR Staff into the Pit Area where you will meet with your Instructor.
- ♦ The Instructor will walk the group around the ¼ mile paved EIR oval and give you instructions on how to handle the car around the oval. This is a very interactive portion of the experience and you are welcome to ask any questions of the Instructor at this time. This part takes about 45 to 60 minutes. Then you are back into the Pits with a few more instructions and we're ready to get you into the car!
- ♦ EIR Staff will suit you up into a race suit, your photo will be taken in front of the race car as YOU are the WINNER of your EVENT! That photo will be emailed to you.
- ♦ EIR Staff will then introduce you to your Race Car! They will assist you in getting into the car as you have to enter through the window (Just like a real NASCAR Racer does!), your helmet will be fitted and you'll be buckled in tightly for safety. Our staff will give you some last minute instructions and then you are ready to roll!
- ♦ The Instructor comes through Pit Row with the Pace Car – gives you the “Thumbs Up – Are you Ready to Go?” YES! Then you follow the Instructor onto the race track!
- ♦ You will follow for 5 warm up laps under the Yellow Flag and then the Flagman will “Wave” the Green Flag and off you go, the Pace Car will speed up with you following. He will go as fast as he feels you can handle the car, if you aren't hitting cones or moving up in the corners and you are maintaining 2 car lengths behind the Instructor he'll keep speeding up giving you an awesome Race Car Experience!
- ♦ When you're done, you will drive back into the pits where our Staff will help you get out of the car and congratulate you on a job well done!
- ♦ This Experience includes two race night admission tickets for a Regular Saturday Night Event, you can use them the same day you take your Experience (on a Saturday) or another weekend if you choose, it does not have to be the same day!

You will leave the Raceway with a BIG SMILE on your face and congratulate yourself for checking this experience off your bucket list!
